

# DBP 2014

Disinfection By-products in drinking water  
27th-29th October 2014

Municipal Hall, Mülheim an der Ruhr, Germany

## Exhibition Opportunities

### General Information

This international Conference will be organised by IWW Water Centre (DE), RSC (UK) and SCI (UK). A scientific poster session and an exhibition related to the topics of the conference will be included. It is expected that more than 200 attendees from all over Europe will take part. You will have the opportunity to talk to decision makers from water companies and regulators. The relevant scientific community will also be present.

### Conference Themes

The themes of the conference are:

- Emerging disinfection by-products
- Water treatment including advanced treatment processes
- Water recycling
- Online and laboratory-based monitoring
- Health and toxicology aspects of DBP
- DBP regulations and the future

### Charges

- Exhibition stands are priced at 1,250€ including one trade stand staff and all daytime catering, but no access to the technical programme
- Upgrade to full event attendance for an extra 200€, ie 1,450€
- Additional trade stand staff may be booked at 240€

### What is included

- Each exhibitor will be offered a 3 m x 2 m space, table, free wi-fi and electrical access.
- A poster board can be made available if required.

### Additional exhibitor opportunities include:

- a single printed promotional page in the bound delegate handbook
- a two-minute promotional oral presentation to the conference audience on Monday

The above opportunities are both offered gratis and are optional.

### Exhibition Sessions

The exhibition will be set up in the same area as the catering and posters, and attendees will have access to the exhibition during every refreshment and lunch break. In addition, there will be a dedicated poster and exhibition session on Monday evening with drinks reception.

### Sponsorship Opportunities

A selection of sponsorship items is also available, with prices ranging from 200€ to 7,000€. Please see our website for more information.
