

JRC - NORMAN

Water Framework Directive

Workshop on

River Basin Specific Pollutants

Selection and Monitoring

STRESA, ITALY

10-11 JUNE 2010

DRAFT AGENDA

Workshop venue:
Hotel Le Palme, Stresa, Italy

Thursday, 10.6.2010

<i>Time</i>	<i>Issue</i>
9:00	Welcome <i>G. Bidoglio, JRC IES RWER Head of Unit</i>
9:15	Member States' reporting on water quality: focus on river basin specific pollutants <i>M. David, DG ENV</i>
9:45	Emerging pollutants and river basin specific pollutants – Scope of the workshop <i>V. Dulio NORMAN Association, G.Hanke JRC IES</i>

<i>Time</i>	<i>Issue</i>
10:00	MS approaches – Questionnaires outcome overview <i>H. Piha JRC IES</i> Presentation of overall results from the questionnaire addressed to the Member States, followed by questions from the floor.
10:15	COFFEE BREAK
10:45	MS approaches – Questionnaires outcome An overview on responses by Member States, with short presentations by selected MS on their particular experiences followed by questions from the floor.
12:30	LUNCH BREAK
14:00	Thematic working sessions on selected RBSP topics Each thematic working session will consist of a short introductory presentation followed by a facilitated discussion in (table) groups on a prepared set of questions. Each table will collect the group's responses to the questions and an overall feedback on each topic will then be presented to all participants in a short wrap-up session.
14:15	<u>Thematic working session ‘Data Availability’</u> 1) Availability and quality of data on environmental occurrence and (eco)toxicological properties of chemicals
15:15	COFFEE BREAK
15:45	<u>Thematic working session ‘Identification of RBSP’</u> 2) Identification of ‘candidate substances’ for the selection of RBSP: <ul style="list-style-type: none"> - Methods for assessing pressures in the river basins - Non-target screening analysis and biological effect methods
17:00	<i>Wrap-up of thematic working sessions and proposed list of actions</i>
17:30	<i>End</i>

Friday, 11.6.10

<i>Time</i>	<i>Issue</i>
9:00	Thematic sessions on selected RBSP topics (continued) <i>Thematic working session ‘Prioritisation of pollutants’</i> 3) The process of prioritisation for the definition of the RBSP and compounds currently listed in Member States
10:30	COFFEE BREAK
11:00	<i>Thematic working session ‘Monitoring of RBSP’</i> 4) Monitoring programmes for RBSP and applied monitoring methodologies

<i>Time</i>	<i>Issue</i>
12:30	LUNCH BREAK
14:00	<i>Wrap-up of thematic working sessions</i> <i>All participants</i>
15:30	COFFEE BREAK
16:00	DRAFTING OF OUTCOME – IDENTIFICATION OF FOLLOW-UP ACTIONS <i>N.N.</i>
<i>17:30</i>	End
