

NORMAN WORKSHOP ON CHEMICAL POLLUTANTS AND BIODIVERSITY

Norman is a European network of more than 90 reference laboratories, research centers and related organisations for monitoring and assessment of contaminants of emerging concern. NORMAN is organizing this hybrid workshop to discuss links between environmental data and research for chemical pollutants and biodiversity.

- 09:00 Registration and coffee
- 10:00 **Welcome**
Jan Koschorreck (UBA) and Henner Hollert (University Frankfurt)
- Session 1 – Research networks and regulatory views**
- 10:10 The Norman Network
Valeria Dulio, INERIS (FR)
- 10:25 European Biodiversity Monitoring – how to meet the challenges
Florian Leese, University Duisburg-Essen
- 10:40 Discussion Research Networks
- 10:50 DG Joint Research Centre
Marta Baccaro, DG JRC (EC)
- 11:00 European Environment Agency
Magnus Lofstedt, EEA (EC)
- 11:10 European Topic Center Biodiversity and Ecosystems
Jannicke Moe, NIVA (NO)
- 11:20 International Commission for the Protection of the River Danube
Igor Liska, ICPDR (AT)
- 11:30 **Discussion Session 1**
- 12:15 Lunch
- Session 2 – Research activities**
- 13:15 Partnership for Risk Assessment of Chemicals (PARC)
Lina Wendt-Rasch, KEMI (SE)
- 13:25 LUCAS SOIL
Alberto Orgiazzi, DG JRC (EC)
- 13:35 TerraChem, Horizon Europe
Jaroslav Slobodnik, Environmental Institute
- 13:45 CONTRAST, Horizon Europe
Steven Brooks, NIVA
- 13:55 detect2protect, Biodiversa+
Kari Lehtonen, SYKE (FI)
- 14:05 Biodiversity, pollutants and AI
Luisa Orsini, Birmingham University/University Frankfurt
- 14:15 Coffee
- 14:45 **Keynote**
Klement Tockner, Senckenberg Society for Nature Research
- 15:15 **Discussion – session 2 and keynote**
- 16:00 **End of the workshop**

When: **Wednesday 6th December 2023, 10-16:00**
 Where: **Biologicum, Goethe University, Max von Laue Straße 13, 60438 Frankfurt am Main**
 Posters: On site and online are welcome
 Contact: Organisational issues and poster submissions: Sarah Johann < johann@bio.uni-frankfurt.de >
